Remarks: This property would be perfect for a hunter. It has an old home on it that needs a little TLC that would make a good hunting lodge. It has open fields and food plots and interior roads that make it easy to get around. There is a nice pond on the property and several streams. Located in the North Western side of Luenburg county, this property is just miles from HWY 360, and Prince Edward County. With a great amount of road frontage and 3 drive ways off the state road, this property would also be good for development reasons.
